

BLAZE KING WOOD STOVES

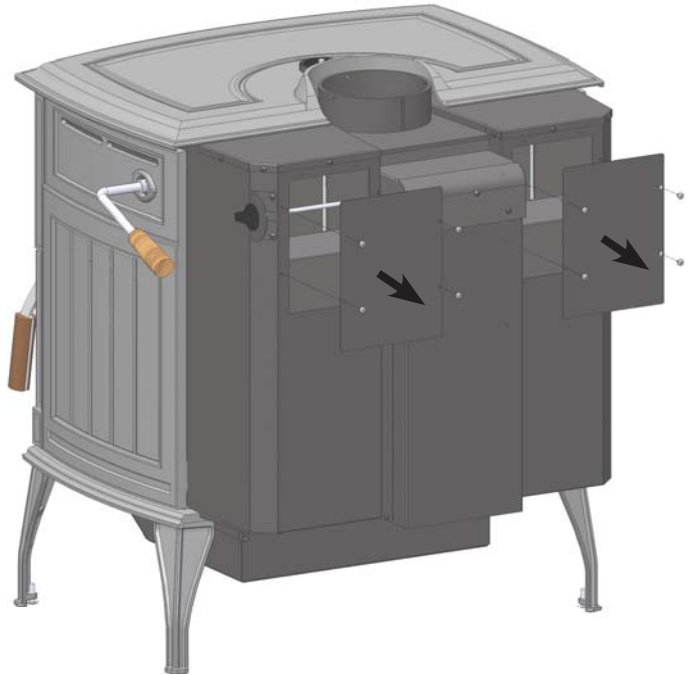

The BLAZE KING Ashford Fan Kit (Z2814) consists of 2 axial fans located in separate housings that are mounted on the rear of the Ashford 20.1 (AF20.1) and Ashford 30.1 (AF30.1) wood stoves.

IF AT ALL POSSIBLE, TRY TO MOUNT THE FAN ASSEMBLIES BEFORE THE STOVE IS IN PLACE FOR EASE OF INSTALLATION.

INSTALLATION

1. On the rear of the stove, remove the cover plates from both the left and right rear shields. (8 sheet metal screws total, **Fig A**).

Fig A

2. Mount and fasten each fan housing in place by using the provided sheet metal screws. (**Fig B**)
